## *He's a Staunch Democrat*

Harry Francis Jenkins, 5 years old, has the distinction of being the youngest school pupil in Atchison township. He is now ready for the Second grade, having finished all of the First grade work in seven months of school.

Harry attends Maple Lawn school, two and one-half miles north of Clearmont, walking a distance of one and three-fourth miles twice a day. This success is due in part to the painstaking training of Mrs. Valdo Lawrence, under whom he studied.

The child has a wonderful memory, being able to memorize long readings and recitations, which he cannot read yet.

He is a staunch Democrat, and says he would like to visit "Uncle Sam," of whom he is hearing so much at present. He is the son of Bert Jenkins of Braddyville, Ia., and the nephew of Mrs. Charles Leaverton, north of Clearmont, where he makes his home. His mother died when he was only 2 years old, from the effects of injuries received in a gasoline explosion.

## DISCONTINUE THE LYCEUM

**Board Decides That Support Given by Maryville Does Not Justify Expenditure of Money.**

No Lyceum course will be held in Maryville next winter. This was the decision of the Lyceum board which met last night at the Commercial club rooms to discuss the proposition and to decide whether or not to sign up for the talent for next year. Nearly every club, church and other organization of Maryville was represented at the meeting and after a fair discussion, it was decided that the support given the enterprize by Maryville people did not justify the expense which the procuring of the talent entails. The unsettled condition of the country was also taken into account in making the decision.

The Lyceum numbers have been enjoyed by the people of Maryville for the last three years, and some splendid artists have been brought to the city.

**DUTCH TO CONVOY ITS SHIPS.**

## THE UNION SERVICES

**FIVE PROTESTANT PASTORS ARRANGE FOR AUGUST VACATION.**

## CHAUTAUQUA MEETING

**Vote to Have Management Furnish Preacher for First Sunday—Incomplete Arrangements Made.**

Evening union services during the month of August for the five Protestant churches were arranged last night by the ministers of Maryville who met at the Commercial club rooms, following the Lyceum meeting.

It was voted to request the Chautauqua to furnish a preacher for the morning union service on the first Sunday in August. On that Sunday the Sunday schools will meet in their respective churches and then all of the denominations will meet for church at the Chautauqua tent.

On the other three Sundays of August the union evening services will be held at the Baptist, Christian, and First Methodist churches respectively. The Rev. T. H. Wiles, pastor of the First Baptist church will preach on the third Sunday, but the preachers for the other dates have not been decided upon.

The Rev. Gilbert S. Cox, pastor of the First Methodist church, will spend the month of August in and around Kansas City. He will preach the first Sunday in August in Trinity church in Kansas City and the second Sunday he will occupy the pulpit in Independence Avenue church. On the third and fourth Sundays, he will preach in the Grand Avenue church, which was formerly the pulpit of Bishop Quayle.

The other Protestant pastors are expecting to take their vacations during the month of August but their plans are not yet complete.

## DRAINAGE DITCH REALITY

**Petition By Barnard and Arkoe Farmers Is Now in Circulation—Nearly 1,000 Acres Signed Up.**

The Drainage Company, which has been talked about for several months, is at last being made a reality. Mr. John A. Fields and Sam Smith have circulated a petition to start the ditch at N. W. corner of the S. W. quarter of the S. E. quarter of Section 15, Township 62 and Range 35 and continue along the 102 River. This begins just west of the picnic grounds at the old ball park. Already nearly 1,000 acres have been signed up, the owners being in favor of the ditch. The acreage is to be left to a competent engineer.

As soon as possible the petition will be sent to Bolckow in an effort to form a part of Andrew County into the same company. This will make the pro rata cost cheaper. It is estimated that nearly 10,000 acres can be thus secured in the company.—Barnard Bulletin.

## LAST DAY OF TRADE WEEK

## HAVE PATRIOTIC SUNDAY

**Christian Church at Pickering Will Have A Special Program For Morning Service.**

The Rev. E. H. Hutchison, pastor of the First Christian church at Pickering, has announced that Patriotic Sunday will be observed during the Sunday school and church hour next Sunday morning. Mr. Hutchison has sent the following communication regarding the event:

"At the request of President Wilson we shall hold a patriotic service in both the Sunday school and church hours. We shall have a special program at each service. All mothers and fathers of the community are invited and especially the old soldiers and the new who have enlisted or registered.

"These are days when your best in loyalty is expected. Our boys are now on European soil ready to enter the struggle for true democracy. They are giving their all, even life. Can we meet true American citizens without covering our faces in shame when we treat the patriotic call of our President lightly?"

## TRAIN KILLS MAN

**BODY OF STRANGER FOUND ON TRACK NORTH OF GUILFORD.**

## MAY BE JOSEPH WILLIAMS

**William Cook Says Body Is That of St. Joseph Man With Whom He Talked Yesterday.**

The body of an unknown man, apparently about 30 years old, was found on the Great Western tracks, one and three-fourths miles north of Guilford early this morning, by a freight crew of No. 90, which was on its way north from Guilford.

The man had been run over probably by passenger train No. 3, which arrives in that section about 4 o'clock in the morning. The man's legs and arms were completely severed from his body, and the top of his head was torn off.

The stranger had on blue striped overalls, a black undershirt and a knitted jacket. He was young in appearance, and his face was smooth shaven.

Nothing that could serve as a means of identification was found on the man. In one of his jacket pockets was a cake of soap and a piece of a comb was imbedded in his shoulder.

The body was taken to the home of J. A. Armstrong, a farmer living about 200 yards from the scene of the accident, and Dr. H. S. Rowlett, the county coroner, was called.

The inquest held by Dr. H. S. Rowlett this morning resulted in the identification of the body as that of Joseph Williams of Hyde Park, St. Joseph. The identification was made by William Cook of Guilford who said that he lived in St. Joseph and that he had a wife and child. He was traveling through the country looking for farm work.

The jury held a view inquest and decided that the man came to his death by being struck by a Great Western train sometime between yesterday noon and this morning. The members of the jury were: J. O. Thompson, Dr. Sam Wohlford, Kirk Albright, Joseph Cayton, Claude Young and Oakley Anderson.

The body was held at Guilford and an effort was made to get in touch with Mr. Williams' wife and child. The police in St. Joseph were notified and they say there is no such person in the directory, but they are trying to find the family. Mr. Williams also mentioned a brother living in Helena, Mo., but no response to the telegram sent to that town has been received.

Miss Anna Doffing of Iowa City, Ia., is visiting at the home of her brother, William Doffing of Maryville.

**Quitman Expects to Continue Work As Soon As Bridges Are Repaired—Other Towns Report.**

| Total | 6,988.25 |

Nearly $7,000 has been collected in Nodaway county for the Red Cross fund, according to the reports received from the chairmen in charge of the township branches today. Polk township, including Maryville leads with $3,412. Incomplete lists of the donations made so far are given today.

Guilford is ready for its "drive" in Washington township. A great crowd of persons interested in the work met last night and formed its branch, electing the following officers:

President, Carl Wray; vice-president, E. C. Starin; secretary, Dr. A. D. Barnet, and treasurer, W. T. Ross. The following committees were appointed by President Wray in order to further the work of organization: Soliciting committee: Miss Luna Wells, Mrs. Eunice Parr and Miss Ruby Davis.

Publicity committee: H. W. Hildebrant, the Rev. O. E. Lockart and Roxie Wilson.

Advisory committee : W. B. Torrance, Dr. J. H. Wells and James H. Carver.

The soliciting will begi nat once and the work will be continued until the township has been completely canvassed.

Quitman has $89 to add to the subscription list. The work in that township is slow, says H. C. Bailey, in charge of the work on account of the lack of bridges, which makes it inconvenient for people to get to town.

At Clearmont a meeting was held last night for the purpose of furthering plans for the "drive" in Atchison township. The Clearmont band gave a concert, the Rev. Horace S. Weaver made the patriotic address and plans for the canvass of the township were made. Eight or ten automobiles with volunteer solicitors will begin at once to visit every person in the vicinity and an effort will be made to have every name in the township on the Red Cross list.

Red Cross relief was discussed, after which it was decided to take funds in the treasury together with individual donations of the members, and a sum of $6 was subscribed. This was considered very good as the club has only been organized four months, with eight active members. Music was furnished and all sang "America." A delicious two-course luncheon was served by the hostess, assisted by Misses Eva and Faye Sprecher of Maryville. Those present were. Mrs. H. Hasty and sons, Mrs. Levi Wallace, Mrs. P. H. # THIS WOMAN TOLD TO CHOOSE

**Between Operation and Death. Cured by Lydia E. Pinkham's Vegetable Compound.**

Des Moines, Iowa.—"My husband says I would have been in my grave today had it not been for Lydia E. Pinkham's Vegetable Compound. I suffered from a serious female trouble and the doctors said I could not live one year without an operation. My husband objected to the operation and got me to try Lydia E. Pinkham's Vegetable Compound. I soon commenced to get better and am now well and able to do my own housework. I can recommend Lydia E. Pinkham's Vegetable Compound to any woman as a wonderful health restorer."—Mrs. BLANCHE JEFFERSON, 703 Lyon St., Des Moines.

**This famous remedy, the medicinal ingredients of which are derived from highly prized roots and herbs, has for forty years proved its value in such cases. Women everywhere bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegtable Compound**

# Your Opportunity

From the terrible conflict of the times arise four possible opportunities to those who render personal service:

*First—To give a son and money*
*Second—To give a son*
*Third—To give money*
*Fourth—To lend money*

The highest privilege for those without a son is to give money that other sons may not perish and the giving should be enough to constitute some personal sacrifice.

Some weeks ago there were many citizens of Nodaway county offering to lend money to the Government on the Liberty Bonds. It was a splendid exhibition of patriotism, but rarely involved sacrifice and no money loss.

This week there should be hundreds of Nodaway county people who gladly accept the higher opportunity of giving where the results will electrify and relieve around the world.

Some will solicit contributions. For them to call personally on every one who would like to take part in raising the thirty thousand dollars for the Red Cross War Relief is impossible.

Therefore, to aid the Red Cross Committees of this county we will be glad to receive subscriptions at our store or you may leave them at other authorized subscription places.

***Give*** as you would give if your son, brother, your sister, mother or father lay bleeding, suffering, wounded or dying and ***you knew*** that your money could bring to them relief and possibly save that life

## What Will We Do?

Thousands of doctors have given up lucrative practices, from $2,000 to many thousands a year, to go to the front for duty, at a risk of life and mere pittance financially.

Thousands of brave, noble, true women and girls are going as nurses to face the terrible horrors of war that they may be on the front to render first aid to the wounded and dying.

## Shall These Sacrifices Be In Vain?

NO. For the great heart our County is open—the great heart of all America is open—where our boys and girls go for their nation's sake, our hearts and our money will go with them also.

## How Long Must I Suffer From the Pangs of Rheumatism?

**Is there no real relief in sight?**

Doubtless like other sufferers, you have often asked yourself this question, which continues to remain unanswered.

Science has proven that your Rheumatism is caused by a germ in your blood, and the only way to reach it is by a remedy which eliminates and removes these little pain demons from your blood. This explains why liniments and lotions can do no permanent good, for they cannot possibly reach these germs which infest your blood by the millions.

S. S. S. has been successfully used for Rheumatism for more than fifty years. Try it to-day, and you will find yourself at last on the right track to get rid of your Rheumatism. You can get valuable advice about the treatment of your individual case by writing to the Chief Medical Adviser, Swift Specific Co., Dept. D Atlanta, Ga.

Having disposed of our business, we wish to thank our many customers for their patronage, and sincerely hope it has been as pleasant to them as it has been to us.

We kindly ask any who have accounts with us, to please settle at their earliest convenience, as we are anxious to close our business. After July 1st. Mr. McCaffrey will be at N. Schumacher & Sons with the accounts.

## GUILFORD ITEMS

The demonstrator who was to arrive in Guilford yesterday afternoon for the purpose of giving canning demonstrations failed to arrive. There was keen disappointment among the women who had gathered for the lecture.

A mass meeting will be held at Guilford tonight to decide on the dates for the Chautauqua which will be held in Guilford possibly August 16, 17 and 18.

W. D. Davis, a plasterer, has a sore right hand, which became infected, he thinks, from the coloring matter in the concrete with which he was working. The infection was checked and now the hand is better.

A few raspberries are now being gathered, the smallness of the crop being due to the fact that most of the bushes were killed last winter. One-half of the cherry trees in the Guilford vicinity have died in the last three years. The cause is not known.

J. E. Montgomery of Oregon, was a Maryville visitor yesterday.

## QUITMAN MAN ASSAULTED

**William Lentz, Blacksmith, Injured by Unknown Assailant on Way to Boarding House.**

William Lentz, 24 years old, a blacksmith on the Sliker W. Bilby ranch, seven and a half miles southwest of Quitman, was assaulted last Sunday night while on his way home to his boarding house and was badly injured, the Burlington Junction Post says. Lentz had been visiting at the Hayden Smith home that evening and started home about 9 o'clock and had just passed a house by the road, about halfway between the Bilby ranch and the Smith home, when he was struck on the side of the head and rendered unconscious. He was discovered at 10 o'clock Monday morning and a gash two and a half inches long had been cut in the scalp just above the left ear. Lentz said he was unable to account for the assault and remembered nothing but the blow which rendered him unconscious.

Lentz has been employed on the Bilby ranch for two years. He was formerly an officer in the German army, but left the service about the time war was declared and has since been in this country. He is well educated and shows the experience of long military training.

## FRECKLE-FACE

**Sun and Wind Bring Out Ugly Spots—How to Remove Easily.**

Here's a chance, Miss Freckle-face to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of othine — double strength—from any druggist and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength othine as this is the prescription sold under guarantee of money back if it fails to remove freckles.

**Patriotism and Business**

Every good citizen at this time should do his share toward strengthening the Federal Reserve Banking System which our Government has created with its billion dollars of resources to stand back of its member banks and all their depositors.

You can contribute directly to the strength of this system, and at the same time secure its protection by depositing your money with us, since part of every dollar you deposit with us goes directly into the new system, where it is always ready for you when wanted.

This is a suggestion for prompt action.

## *He's a Staunch Democrat*

Harry Francis Jenkins, 5 years old, has the distinction of being the youngest school pupil in Atchison township. He is now ready for the Second grade, having finished all of the First grade work in seven months of school.

Harry attends Maple Lawn school, two and one-half miles north of Clearmont, walking a distance of one and three-fourth miles twice a day. This success is due in part to the painstaking training of Mrs. Valdo Lawrence, under whom he studied.

The child has a wonderful memory, being able to memorize long readings and recitations, which he cannot read yet.

He is a staunch Democrat, and says he would like to visit "Uncle Sam," of whom he is hearing so much at present. He is the son of Bert Jenkins of Braddyville, Ia., and the nephew of Mrs. Charles Leaverton, north of Clearmont, where he makes his home. His mother died when he was only 2 years old, from the effects of injuries received in a gasoline explosion.

## DISCONTINUE THE LYCEUM

**Board Decides That Support Given by Maryville Does Not Justify Expenditure of Money.**

No Lyceum course will be held in Maryville next winter. This was the decision of the Lyceum board which met last night at the Commercial club rooms to discuss the proposition and to decide whether or not to sign up for the talent for next year. Nearly every club, church and other organization of Maryville was represented at the meeting and after a fair discussion, it was decided that the support given the enterprise by Maryville people did not justify the expense which the procuring of the talent entails. The unsettled condition of the country was also taken into account in making the decision.

The Lyceum numbers have been enjoyed by the people of Maryville for the last three years, and some splendid artists have been brought to the city.

## THE UNION SERVICES

## CHAUTAUQUA MEETING

**Vote to Have Management Furnish Preacher for First Sunday—Incomplete Arrangements Made.**

Evening union services during the month of August for the five Protestant churches were arranged last night by the ministers of Maryville who met at the Commercial club rooms, following the Lyceum meeting.

It was voted to request the Chautauqua to furnish a preacher for the morning union service on the first Sunday in August. On that Sunday the Sunday schools will meet in their respective churches and then all of the denominations will meet for church at the Chautauqua tent.

On the other three Sundays of August the union evening services will be held at the Baptist, Christian, and First Methodist churches respectively. The Rev. T. H. Wiles, pastor of the First Baptist church will preach on the third Sunday, but the preachers for the other dates have not been decided upon.

The Rev. Gilbert S. Cox, pastor of the First Methodist church, will spend the month of August in and around Kansas City. He will preach the first Sunday in August in Trinity church in Kansas City and the second Sunday he will occupy the pulpit in Independence Avenue church. On the third and fourth Sundays, he will preach in the Grand Avenue church, which was formerly the pulpit of Bishop Quayle.

The other Protestant pastors are expecting to take their vacations during the month of August but their plans are not yet complete.

## DRAINAGE DITCH REALITY

**Petition By Barnard and Arkoe Farmers Is Now in Circulation—Nearly 1,000 Acres Signed Up.**

The Drainage Company, which has been talked about for several months, is at last being made a reality. Mr. John A. Fields and Sam Smith have circulated a petition to start the ditch at N. W. corner of the S. W. quarter of the S. E. quarter of Section 15, Township 62 and Range 35 and continue along the 102 River. This begins just west of the picnic grounds at the old ball park. Already nearly 1,000 acres have been signed up, the owners being in favor of the ditch. The acreage is to be left to a competent engineer.

As soon as possible the petition will be sent to Bolckow in an effort to form a part of Andrew County into the same company. This will make the pro rata cost cheaper. It is estimated that nearly 10,000 acres can be thus secured in the company.—Barnard Bulletin.

## HAVE PATRIOTIC SUNDAY

**Christian Church at Pickering Will Have A Special Program For Morning Service.**

The Rev. E. H. Hutchison, pastor of the First Christian church at Pickering, has announced that Patriotic Sunday will be observed during the Sunday school and church hour next Sunday morning. Mr. Hutchison has sent the following communication regarding the event:

"At the request of President Wilson we shall hold a patriotic service in both the Sunday school and church hours. We shall have a special program at each service. All mothers and fathers of the community are invited and especially the old soldiers and the new who have enlisted or registered.

"These are days when your best in loyalty is expected. Our boys are now on European soil ready to enter the struggle for true democracy. They are giving their all, even life. Can we meet true American citizens without covering our faces in shame when we treat the patriotic call of our President lightly?"

## TRAIN KILLS MAN

BODY OF STRANGER FOUND ON TRACK NORTH OF GUILFORD.

## MAY BE JOSEPH WILLIAMS

**William Cook Says Body Is That of St. Joseph Man With Whom He Talked Yesterday.**

The body of an unknown man, apparently about 30 years old, was found on the Great Western tracks, one and three-fourths miles north of Guilford early this morning, by a freight crew of No. 90, which was on its way north from Guilford.

The man had been run over probably by passenger train No. 3, which arrives in that section about 4 o'clock in the morning. The man's legs and arms were completely severed from his body, and the top of his head was torn off.

The stranger had on blue striped overalls, a black undershirt and a knitted jacket. He was young in appearance, and his face was smooth shaven.

Nothing that could serve as a means of identification was found on the man. In one of his jacket pockets was a cake of soap and a piece of a comb was imbedded in his shoulder.

The body was taken to the home of J. A. Armstrong, a farmer living about 200 yards from the scene of the accident, and Dr. H. S. Rowlett, the county coroner, was called.

The inquest held by Dr. H. S. Rowlett this morning resulted in the identification of the body as that of Joseph Williams of Hyde Park, St. Joseph. The identification was made by William Cook of Guilford who said that he lived in St. Joseph and that he had a wife and child. He was traveling through the country looking for farm work.

The jury held a view inquest and decided that the man came to his death by being struck by a Great Western train sometime between yesterday noon and this morning. The members of the jury were: J. O. Thompson, Dr. Sam Wohlford, Kirk Albright, Joseph Cayton, Claude Young and Oakley Anderson.

The body was held at Guilford and an effort was made to get in touch with Mr. Williams' wife and child. The police in St. Joseph were notified and they say there is no such person in the directory, but they are trying to find the family. Mr. Williams also mentioned a brother living in Helena, Mo., but no response to the telegram sent to that town has been received.

Miss Anna Doffing of Iowa City, Ia., is visiting at the home of her brother, William Doffing of Maryville.

**Quitman Expects to Continue Work As Soon As Bridges Are Repaired—Other Towns Report.**

| Skidmore | 524.50 |

| Quitman | 89.00 |
| Total | 6,988.25 |

Nearly $7,000 has been collected in Nodaway county for the Red Cross fund, according to the reports received from the chairmen in charge of the township branches today. Polk township, including Maryville leads with $3,412. Incomplete lists of the donations made so far are given today.

Guilford is ready for its "drive" in Washington township. A great crowd of persons interested in the work met last night and formed its branch, electing the following officers:

President, Carl Wray; vice-president, E. C. Starin; secretary, Dr. A. D. Barnet, and treasurer, W. T. Ross. The following committees were appointed by President Wray in order to further the work of organization: Soliciting committee: Miss Luna Wells, Mrs. Eunice Parr and Miss Ruby Davis.

Publicity committee: H. W. Hildebrant, the Rev. O. E. Lockart and Roxie Wilson.

Advisory committee : W. B. Torrance, Dr. J. H. Wells and James H. Carver.

The soliciting will begi nat once and the work will be continued until the township has been completely canvassed.

Quitman has $89 to add to the subscription list. The work in that township is slow, says H. C. Bailey, in charge of the work on account of the lack of bridges, which makes it inconvenient for people to get to town.

At Clearmont a meeting was held last night for the purpose of furthering plans for the "drive" in Atchison township. The Clearmont band gave a concert, the Rev. Horace S. Weaver made the patriotic address and plans for the canvass of the township were made. Eight or ten automobiles with volunteer solicitors will begin at once to visit every person in the vicinity and an effort will be made to have every name in the township on the Red Cross list.

THIS picture illustrates an important difference in inner tubes. All tubes when inflated are ring-shaped like the tube in the background. But when deflated only the Michelin Tube remains curved. All others become perfectly straight.

Come in and let us explain why this exclusive Michelin feature means so much in tube life and economy.

**Between Operation and Death. Cured by Lydia E. Pinkham's Vegetable Compound.**

Des Moines, Iowa.—"My husband says I would have been in my grave today had it not been for Lydia E. Pinkham's Vegetable Compound. I suffered from a serious female trouble and the doctors said I could not live one year without an operation. My husband objected to the operation and got me to try Lydia E. Pinkham's Vegetable Compound. I soon commenced to get better and am now well and able to do my own housework. I can recommend Lydia E. Pinkham's Vegetable Compound to any woman as a wonderful health restorer."—Mrs. BLANCHE JEFFERSON, 703 Lyon St., Des Moines.

This famous remedy, the medicinal ingredients of which are derived from highly prized roots and herbs, has for forty years proved its value in such cases. Women everywhere bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegtable Compound

# Your Opportunity

From the terrible conflict of the times arise four possible opportunities to those who render personal service:

*First—To give a son and money*
*Second—To give a son*
*Third—To give money*
*Fourth—To lend money*

The highest privilege for those without a son is to give money that other sons may not perish and the giving should be enough to constitute some personal sacrifice.

Some weeks ago there were many citizens of Nodaway county offering to lend money to the Government on the Liberty Bonds. It was a splendid exhibition of patriotism, but rarely involved sacrifice and no money loss.

This week there should be hundreds of Nodaway county people who gladly accept the higher opportunity of giving where the results will electrify and relieve around the world.

Some will solicit contributions. For them to call personally on every one who would like to take part in raising the thirty thousand dollars for the Red Cross War Relief is impossible.

Therefore, to aid the Red Cross Committees of this county we will be glad to receive subscriptions at our store or you may leave them at other authorized subscription places.

*Give* as you would give if your son, brother, your sister, mother or father lay bleeding, suffering, wounded or dying and *you knew* that your money could bring to them relief and possibly save that life

## What Will We Do?

Thousands of doctors have given up lucrative practices, from $2,000 to many thousands a year, to go to the front for duty, at a risk of life and mere pittance financially.

Thousands of brave, noble, true women and girls are going as nurses to face the terrible horrors of war that they may be on the front to render first aid to the wounded and dying.

## Shall These Sacrifices Be In Vain?

NO. For the great heart our County is open—the great heart of all America is open—where our boys and girls go for their nation's sake, our hearts and our money will go with them also.

## How Long Must I Suffer From the Pangs of Rheumatism?

**Is there no real relief in sight?**

Doubtless like other sufferers, you have often asked yourself this question, which continues to remain unanswered.

Science has proven that your Rheumatism is caused by a germ in your blood, and the only way to reach it is by a remedy which eliminates and removes these little pain demons from your blood. This explains why liniments and lotions can do no permanent good, for they cannot possibly reach these germs which infest your blood by the millions.

S. S. S. has been successfully used for Rheumatism for more than fifty years. Try it to-day, and you will find yourself at last on the right track to get rid of your Rheumatism. You can get valuable advice about the treatment of your individual case by writing to the Chief Medical Adviser, Swift Specific Co., Dept. D Atlanta, Ga.

Having disposed of our business, we wish to thank our many customers for their patronage, and sincerely hope it has been as pleasant to them as it has been to us.

We kindly ask any who have accounts with us, to please settle at their earliest convenience, as we are anxious to close our business. After July 1st. Mr. McCaffrey will be at N. Schumacher & Sons with the accounts.

## GUILFORD ITEMS

The demonstrator who was to arrive in Guilford yesterday afternoon for the purpose of giving canning demonstrations failed to arrive. There was keen disappointment among the women who had gathered for the lecture.

A mass meeting will be held at Guilford tonight to decide on the dates for the Chautauqua which will be held in Guilford possibly August 16, 17 and 18.

W. D. Davis, a plasterer, has a sore right hand, which became infected, he thinks, from the coloring matter in the concrete with which he was working. The infection was checked and now the hand is better.

A few raspberries are now being gathered, the smallness of the crop being due to the fact that most of the bushes were killed last winter. One-half of the cherry trees in the Guilford vicinity have died in the last three years. The cause is not known.

J. E. Montgomery of Oregon, was a Maryville visitor yesterday.

Miss Ruby Ridlon of Ravenwood, who has been visiting her aunt, Mrs. F. M. Schweikhardt, will go to her home Sunday.

## QUITMAN MAN ASSAULTED

**William Lentz, Blacksmith, Injured by Unknown Assailant on Way to Boarding House.**

William Lentz, 24 years old, a blacksmith on the Sliker W. Bilby ranch, seven and a half miles southwest of Quitman, was assaulted last Sunday night while on his way home to his boarding house and was badly injured, the Burlington Junction Post says. Lentz had been visiting at the Hayden Smith home that evening and started home about 9 o'clock and had just passed a house by the road, about halfway between the Bilby ranch and the Smith home, when he was struck on the side of the head and rendered unconscious. He was discovered at 10 o'clock Monday morning and a gash two and a half inches long had been cut in the scalp just above the left ear. Lentz said he was unable to account for the assault and remembered nothing but the blow which rendered him unconscious.

Lentz has been employed on the Bilby ranch for two years. He was formerly an officer in the German army, but left the service about the time war was declared and has since been in this country. He is well educated and shows the experience of long military training.

**Patriotism and Business**

Every good citizen at this time should do his share toward strengthening the Federal Reserve Banking System which our Government has created with its billion dollars of resources to stand back of its member banks and all their depositors.

You can contribute directly to the strength of this system, and at the same time secure its protection by depositing your money with us, since part of every dollar you deposit with us goes directly into the new system, where it is always ready for you when wanted.

This is a suggestion for prompt action.
